

For the **Practical** portion of the Instructor examination you will be required to bring 1 live model to perform all services on.

You will perform the following demonstrations while lecturing about techniques, methods, client safety, disinfection/safe work practices, other possible procedures, etc.

1. Sanitation, Disinfection of tools, work area and shop.
2. Linen set-up for Shave. You will then prepare the client for a shave and perform movements 1-5, and 10-14. There does not need to be a blade in your razor. The demonstration is about method, safety, and technique.
3. Oral presentation on Hair Color to include types, application options and the chemical process that occurs.
4. Oral presentation on Chemical Hair Texturizing to includes types, wrapping patterns and techniques, applications, and the chemical processes that occur.
5. Perform a complete shampoo service with oral presentation.
6. Perform a Shear Cut. The entire head must be involved. The cut may be 0° elevation or any other elevation desired. Oral presentation should be given of cutting techniques and procedures being used.
7. Blow Dry style with oral presentation.

Your model must have hair long enough to be given an entire haircut using shears.

Clippers or outliners may be used **ONLY** for the finishing work of the cut.

You will have 2 hours and 30 minutes to complete the Practical portion of the examination.

You may use the mirror or an easel for writing directions, information, or detailing topics for “students” to more easily visualize if desired.

Your demonstration should follow your presented lesson plan.

Examiners may ask questions while you are undergoing this examination.
