

Notice Regarding Board Examination Results

As of November 17, 2023, the Board has decided that examination results will not be disclosed nor explained via contacting the Board office. After grading, each examinee will be notified of their scores by mail and an email with this information will be sent to their respective school. Please do not call the office to inquire about examination results. The letter will provide the overall scores and points for each service/technique performed.

These are the available points and potential guideline examples used by examiners.
